

Paris Regional Health is driven by our mission of *making communities healthier*.[®] We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

Steve Hyde, CEO

2023 Community Benefits

Added 28 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, emergency and internal medicine, general surgery, pediatric cardiology, psychology, neuropsychology and more.

Made nearly \$5.3 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a remodel of the CT scanner suite, the installation of a new GE HealthCare Revolution Maxima CT scanner, a replacement HVAC unit in the ICU and Emergency Department, and a variety of other facility improvement projects.

Distributed a payroll of \$63,680,906 to approximately 665 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated more than \$48.6 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$8,880,108 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Paris Regional Health proudly welcomed members of the 2023 PJC Student Vocational Nurse Class.

Team members at Paris Regional Health celebrated the Christmas holiday with a special awards ceremony.
